

Dear neighbour!

Let me help you.

are you particularly endangered by the Corona crisis? Do you belong to the current risk group due to your age or previous illnesses? Then I would like to help you.

No matter if important purchases need to be done or medicine needs to be bought: I have an open ear and will try to help you in the best possible way in the present situation. Leave a message for me. Optionally leave your telephone number in my mailbox and I will get back to you right away.

Together we will get through this difficult time.

Best wishes
